

HARVIA CILINDRO

HPC1M

Harvia embedding flange HPC1M is suitable for electric sauna heaters, such as Harvia Cilindro Black Steel. Made of stainless black steel, the space saving embedding flange protects the benches from splashes, dirt and heat damage.

Advantages

- Protects sauna benches from splashes and dirt
- Easy to clean
- Compatible with electric heaters Cilindro PC70/PC70XE/PC90/PC90XE

Features

Main material : Steel

H x W x D : 5.0 x 500.0 x 500.0 mm

Net weight (kg) : 1.0

Installation location : N/A

ID	GTIN	Output (kW)	Sauna room size min - max m3
HPC1M	6417659028028	N/A
