

# HARVIA LEGEND

HPO11

A protective sheath for a Harvia Legend heater means you can place it safely closer to the wall or benches. The protective sheath can also shield, for example, glass walls and wooden surfaces from water splashes, making sauna maintenance easier.

## Advantages

- Protective sheath for Harvia Legend sauna heaters
- Color: Black
- Allows a Legend heater to be installed in a smaller space
- Protects the walls and benches. Prevents water splashes onto glass walls.
- One or more protective sheaths can be installed around the same heater

## Features

Main material : Steel

H x W x D : 705.0 x 350.0 x 140.0 mm

Net weight (kg) : 3.8

Installation location : Floor

ID	GTIN	Output (kW)	Sauna room size min - max m3
