

# Sola

Modern  
Serenity

Discover the charm of the Sola Sauna, where modern design meets serene comfort. Crafted from high-quality thermally modified spruce, Sola stands out with its robust construction and elegant square shape.

Available in two sizes, the Sola caters to individual preferences: the compact solo version is perfect for those seeking a private escape, while the larger model comfortably accommodates up to four people, making it ideal for families or small gatherings.

The Sola Sauna is more than just a sauna—it's a sanctuary where you can unwind and rejuvenate, right in your backyard.

## Key features

### Suitable equipment

Optional HUUM electric heater and controller, which can be operated using the HUUM mobile app.

### Panoramic front panels

Take in the view from the full tempered-glass front of your Sola sauna while you rest your feet on the tiered bench.

### Interior

Sola's smooth, thermo-aspen benches combines comfort, quality and minimalist style.

### Exterior

Available in two exterior finishes: light or dark Thermory oil, that looks and feels completely natural.

### Weatherproof

Choose between Bitumen shingles roof or minimalistic PVC roof cover. Either way your sauna will be weatherproof in any climate.

### Lighting

Inside the sauna we have high-quality LED lighting- under benches and/or behind the backrests.

## Two sizes

Sola 140 is for 1-2 people

Sola 210 is for 4-6 people
