ONYX

Full Spectrum Infrared
Cedar Sauna

The 'Onyx' is the result of a world-class collaboration between Harvia, Europe's legendary sauna pioneer, and SDS Australia, the country's leading sauna authority for over 20 years.

Available in two impeccably designed sizes – the compact One (for solo immersion) and the spacious Duo (for two). The 'Onyx' delivers premium infrared performance for those who demand wellness without compromise.

Infrared Sauna

Our infrared sauna is designed for modern homes that value both wellness and style. Combining full-spectrum Harvia heaters with carbon panels, it delivers deep, even heat that soothes muscles and promotes relaxation.

The aromatic red cedar interior creates a warm, luxurious atmosphere, while the sleek black exterior highlights a bold contemporary design.

A smart LED touchscreen with Wi-Fi and mobile app connectivity makes control effortless, and integrated Bluetooth audio with ambient chromotherapy lighting enhances the experience. Available in one- or two-person sizes, it offers the perfect choice for solo rejuvenation or shared wellness.

KEY FEATURES

PREMIUM RED CEDAR INTERIOR

Naturally aromatic and thermally efficient for a luxurious indoor sauna experience.

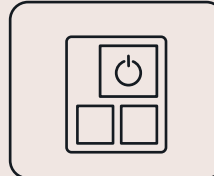

EUROPEAN CRAFTSMANSHIP

European craftsmanship with therapeutic heat and intuitive smart control.

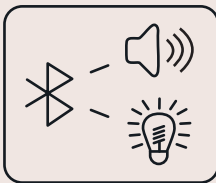

WI-FI ENABLED

Control your sauna remotely via smartphone or tablet.

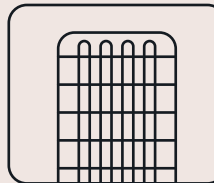

SMART TOUCHSCREEN CONTROL PANEL

Sleekly designed with a user-friendly interface.

BLUETOOTH AUDIO & CHROMOTHERAPY LED LIGHTING

Select a heater that combines top functionality with elegant aesthetics (sold separately).

ADVANCED HARVIA INFRARED TECHNOLOGY

Full-spectrum Harvia heaters with carbon panels deliver consistent, muscle-relaxing heat.

Simple plug-and-play operation

Portability

Wellness Benefits

Harvia's VitaMy® infrared heaters deliver deep, restorative warmth. Potential benefits may include:

- Relief from chronic joint pain, arthritis and fibromyalgia
- Enhanced deep-tissue recovery for athletes
- Improved skin tone and collagen stimulation
- Strong vasodilation for circulation
- Support for melatonin release to promote restful sleep

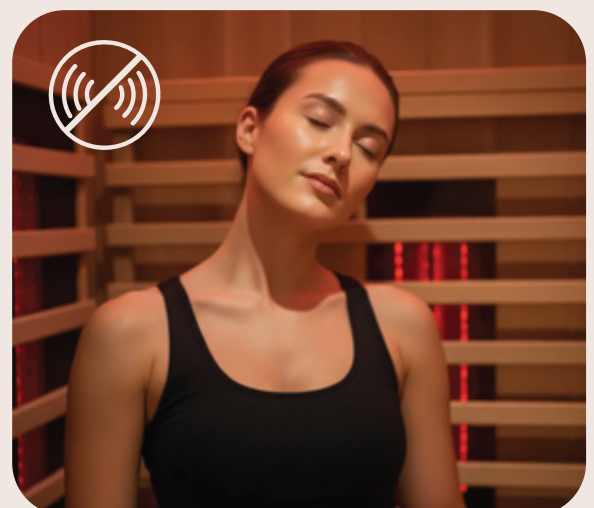

Advanced Harvia Infrared Technology

State-of-the-art Harvia VitaMy® IR Full Spectrum Heaters (2 in Duo, 1 in One) + 4x Carbon Infrared Panels for consistent, muscle-relaxing heat. Powered by Harvia's innovative VitaMy® IR radiators for rapid warm-up.

Low EMF Levels

Advanced shielding dramatically minimises electromagnetic fields, giving you a cleaner, safer infrared experience for peace of mind.
